

## *Quality at your fingertips...*

*The **danaosISM** package provides you what you need to create and maintain a quality system and more importantly it is simple. The under-lying data structures enable you to make full use of company history and steer reliably into the new millenium. Document preparation is through*

*standard MS Word® software. Reporting is graphical for ease of use. Ship and office are integrated. You specify the rules, the system ensures they are followed both in the office and on board.*

The screenshot displays the Danaos Enterprise software interface. The main window shows a form titled 'LOADING PERFORMANCE REPORT [ COM-023 ]'. The form includes fields for Date (01/04/2004 15:47), Vessel (NOPE), Responsible (DECK), and Department (Deck). Below the form, there is a 'Manual Tree' section showing a hierarchy of documents, including 'OPERATIONS MANUAL DM-6.1 RESOURCE' and 'PERSONNEL MANAGEMENT / Section DM-6.1.1. PERSONNEL M'. A 3D pie chart titled 'AUDITING STATISTICS FOR THE PERIOD: 01/01/1996 - 28/03/2005' is displayed, showing the distribution of findings: FINDING (red), MAJOR (green), MINOR (blue), and OBSERVATION (yellow). The chart shows 1.89% for MAJOR, 3.77% for MINOR, and a larger portion for FINDING. A legend below the chart identifies the colors: red for FINDING, green for MAJOR, blue for MINOR, and yellow for OBSERVATION.
