Supplementary Software Conformity Assessment Terms and Conditions

Software Conformity Assessment certifies that the product(s) referred to herein has/have been found to meet the applicable assessment criteria for the use specified herein. It does not mean or imply that the product(s) has/have been assessed for any other use or developed in a manner other than stated in the said information supplied to Lloyd's Register EMEA.

Software Conformity Assessment is based on the understanding of compliance with the manufacturer's recommendations and instructions and any relevant requirements of the Rules and Regulations.

Software Conformity does not eliminate the need for normal inspection and survey procedures required by the Rules and Regulations.

Lloyd's Register EMEA reserves the right to cancel a Software Conformity Assessment Certificate as detailed in LR Software Conformity Assessment System – Procedure SC94.
